RESTAVEK FREEDOM
Ending child slavery in Haiti

RESTAVEK FREEDOM'S

10TH ANNIVERSARY

FUNDRAISING DINNER

RESTAVEK:

Creole (n) – from French "to stay with"

A child staying with another person or extended family member who is treated as property and exploited for labor. A form of modern-day slavery, affecting 1 in 15 children in Haiti.

10 years ago, Restavek Freedom was founded with a simple mission:

TO END CHILD SLAVERY IN HAITI IN OUR LIFETIMES.

SINCE THEN, WE'VE

1,700 CHILDREN
were cared for through our child advocacy program

TRAINED 80,000
through our justice curriculum

ENGAGED 100,000
through our Songs for Freedom concerts

REACHED 2,000,000
via our ground-breaking radio drama, Zoukoutap

On October 20, 2017, we will celebrate our accomplishments and cast our vision for the next ten years, with the ultimate goal to end the restavek system in Haiti in our lifetimes.
